			The completion period may be kept as 24 months period (Excluding Monsoon)	Tender conditions shall prevail.
		Extension for the bid submission date by 15 days i.e. 05/09/2014, 1800 hrs	Bid Submission :- 21/08/2014, 1800 hrs.	Tender conditions shall prevail.
2	Detailed E-Tender Notice; clause no 5; pg. 3	5. To qualify for award of the contract each bidder in its name as prime contractor should have in the last five years i.e. 2008-09 to 2012-13: a. Satisfactorily completed as a prime contractor atleast one project (in all classes of.....not less than 80% of the estimated cost put to tender as shown in Column No.4.	In the post qualification criteria page. no. 3 point No. 5 a you have mentioned Satisfactorily completed as a prime contractor at least one project (in all classes of Civil Engineering construction work only) of aggregate value not less than 80% of the estimated cost put to tender. Kindly consider the physically completed work for the qualification criteria.	Please refer to Addendum No. 1
			Kindly consider Satisfactorily Completed as a prime contractor at least one project (in all classes of Civil Engineering construction work only) of aggregate value not less than 30% of the estimated cost put to tender as shown in Column No.4 and the cost of the executed work shall be enhanced by 10 % every year.	Please refer to Addendum No. 1

CONTRACTOR

EXECUTIVE ENGINEER

3	Detailed E-Tender Notice; clause no 14; pg. 4	While quoting the offer, the contractor should mention ... percentage quoted by the tenderer.	-	Please refer to Addendum No. 1
4	Guidelines for Submission of E-Tender ; clause 1.4 & 1.5 pg. no. 05 & 06	<p>1.4 <u>Earnest Money and Security Deposit:</u> Earnest money for this work will be 1% of estimated cost put to tender ...or 5% of contract price whichever is higher.</p> <p>1.5 <u>Details of Earnest Money:</u> Earnest Money as mentioned in condition above against of work should be paid by Tenders with no earnest money deposit shall be summarily rejected.</p> <p>6 CONTRACTOR EXECUTIVE ENGINEER The earnest money of amount of the earnest money may be transferred towards part of the security deposit to be paid after the award of the work.</p>	To be consider as: Earnest Money of estimated cost put to tender should be in form of Bank Guarantee	Tender conditions shall prevail.
			The Earnest money deposit may be accepted in the form of Bank Guarantee	Tender conditions shall prevail.
			EARNEST MONEY DEPOSIT → As the EMD amount is of High value we request you to accept EMD in the form of Bank guarantee valid up to tender validity (i.e. 120 Days from the date of submission of bid)	Tender conditions shall prevail.
			Earnest Money : In Clause no.1.4 on page no.5, it is stated that EMD for this work will be 1% of estimated cost put to tender (i.e. Rs. 110.00 Lakhs.). In next clause i.e. 1.5 it is stipulated that Earnest Money should be paid by way of electronic transfer. In this connection we request you to accept payment of EMD by way of submission of Bank Guarantee from any branch in Mumbai of the Scheduled Bank. As everybody is aware at present all contractors are facing cash flow problem due to high interest rates etc. factor and transferring Rs. 1.10Cr. cash will be much financial burden. We request you to accept our suggestion and issue suitable amendment. You have already permitted 50% of S.D. in the form of B.G.	Tender conditions shall prevail.
			Kindly accept the EMD in the form of Bank Guarantee.	Tender conditions shall prevail.
5	Guidelines for Submission of E-	1.6 <u>Details of Security Deposit:</u> The successful tenderers shall	Consider the deduct of Security Deposit (5%) from RA Bills on prorate Basis	Tender conditions shall prevail.

CONTRACTOR

EXECUTIVE ENGINEER

	Tender ;Clause no 1.6.; pg. no. 06	have to pay two and half percent of estimated,be recovered at the rates in prevalence as per Stamp Duty Act, from the bills and resubmitted to Government.		
6	Guidelines for Submission of E-Tender ; Clause no 1.22.; pg. no. 09	1.22 Bids from joint ventures are not accepted	Joint Venture to be consider.	Tender conditions shall prevail.
			We request you to allow the Joint Venture for the better and healthy competition thereby lot of saving in public fund.	Tender conditions shall prevail.
			<p>a) Earthwork in excavation & embankment to the tune 4,50,000 Cum.</p> <p>b) Concrete M:40 grade volume 20,000 Cum.</p> <p>Since this being a big project involving higher work volume and material, we request that the execution be allowed through joint venture.</p> <p>We are successfully carrying out various volumetric works of MMRDA as authorized sub contractors, the same need to be recognized and hence our this experience also need to be reckoned with.</p>	Tender conditions shall prevail.
7	Guidelines for Submission of E-Tender ; Clause 2.4, Pg No. 10	b) Up-to-date and valid Income Tax Clearance Certificate for last five financial years i.e. from 2008-09 to 2012-13 duly attested by a Gazetted Officer.	<p>1) As per the Clause 2.4: e-Envelop B (Technical Bid) Point No. (b) Page No. 9, tenderer shall upload scanned copies of upto date and valid Income Tax Clearance Certificate for last five financial years duly attested by gazette officer.</p> <p>In this context we submit that submission of Income Tax Clearance Certificate is no more practice in government departments and also Income Tax Dept. is also not issuing such certificates. We therefore request you not to insist for such certificate and certificate from the certified CA may please be allowed.</p>	Please refer to Addendum No. 1

CONTRACTOR

EXECUTIVE ENGINEER

8	Guidelines for Submission of E-Tender ; Clause no 2.4 ; pg. no. 11	<p>Technical Qualification: To qualify for award of the contract each bidder in its name as prime contractor should have in the last five years i.e. 2008-09 to 2012-13: a. Satisfactorily completed as a prime contractor atleast one project (in all classes of Civil Engineering construction work only) of aggregate value not less than 80% of the estimated cost put to tender.</p>	a. Satisfactorily completed as prime contractor at least on project of 80% value of estimated cost. We request to consider substantially completed work i.e. 80% and above as a completed work.	Please refer to Addendum No. 1.
			In most of the MMRDA tenders the criteria is for satisfactorily completion of single work is 50% of the estimated cost or two works amounting to 80% of the estimated cost. However in this case you kept the criteria of single works amounting to 80% of the estimated cost. We therefore request you to change the same as given above.	Please refer to Addendum No. 1.
			After going through the above referred tender notice in respect of the subjected tender. MMRDA has mentioned in the qualification criteria of experience of construction of building for 80% value of estimated cost put to tender completed work. However, we would like to request you to consider experience of ongoing work for which value of the work done is more than the estimated cost put to tender, The experience criteria is asked generally to ascertain the capability man power & technical know how of execution of similar nature of work. As such necessary changes mentioned as above for experience criteria may please be amended in view of participation of more agencies in order to have competitive offer.	Please refer to Addendum No. 1
			Similar type of work completed should be 30% of the estimated cost put to tender as per G.R. instead of 80 % of the estimated cost. (For subject A)	Please refer to Addendum No. 1.

CONTRACTOR

EXECUTIVE ENGINEER

		<p>2) We invite your attention to Clause 2.4 on pages 10 & 11. On page 11 under heading “Technical Qualification” it is stated that for qualification the period of last 5 years will be 2008-09 to 2012-13. These periods have also been repeated under item 1.2 on page no.22. We are in July 2014 and financial results for year ending 30.03.2014 i.e. for last financial year 2013-14 are available and it is suggested that last 5 years period be considered from 2009-10 to 2013-14 which will reflect latest potential of tendering agencies. It is requested to issue suitable amendment accordingly.</p>	Please refer to Addendum No. 1.
		<p>In tender condition period for work executed is mentioned as 2008-09 to 2012-13. However we request your good self to consider the cost of work executed till date.</p>	Please refer to Addendum No. 1.
		<p>We refer you to qualification criteria i.e. Satisfactorily completed as a prime contractor at least one project (in all classes of Civil Engineering construction work only) of aggregate value not less than 80% of the estimated cost put to tender as shown in Column No.4. In this respect we have to state that 80% of estimated cost comes to Rs.87.84 Crores as against which we have already completed work more than Rs.120 Crores and balance work is in progress [The work is nearing completion]. Hence the same may be allowed. Further we request your good self to also consider the experience of contractor if he is successfully executing currently one work of similar nature (in all classes of Civil Engineering construction work only) with at least 75% progress, and completed cost of work must be 80% work tendered for, as the same is already allowed in other departments such as MCGM etc.</p>	Please refer to Addendum No. 1.

CONTRACTOR

EXECUTIVE ENGINEER

9	Guidelines for Submission of E-Tender ; Clause no 2.4.i ; pg. no. 11	i) The Bidder must have the capacity to arrange for dumping and permission letter for dumping ground.	Considering the huge quantity of excavation and shortage of dumping place the dumping ground may be provided by you.	Tender conditions shall prevail. The Contractor shall submit an undertaking regarding the availability of dumping ground or permission letter for dumping.
10	Guidelines for Submission of E-Tender ; Clause no 2.4 ; pg. no. 11	<p>Technical Qualification: To qualify for award of the contract each bidder in its name as prime contractor should have in the last five years i.e. 2008-09 to 2012-13.</p> <p>b. Executed in any two financial years following minimum quantities:</p> <p>i) Earthwork in excavation & embankment = 4,50,000 Cum; ii) Concrete M:40 grade = 20,000 Cum;</p>	Concrete to be consider all grades in Five Financial Year from 2008-09 to 2012-13.	Tender conditions shall prevail.
			<p>i) Earthwork in excavation & embankment = 4,50,000 Cu.M. It appears that quantity is taken 80% of the BOQ quantity which is very high & we request you to reduce the same to 40% i.e. 2,20,000. CuM which is also an usual practice in all Govt. and Semi Govt. Organization.</p> <p>ii) Concrete M 40 Grade = 20,000 Cu.M. We request you to kindly allow concrete of any grade from M 25 and above as any mix above M 25 is always considered as rich mix.</p>	<p>i) Tender conditions shall prevail.</p> <p>ii) Tender conditions shall prevail.</p>
			We have carried of works for Construction of Nallas and Sub Nallas in Thane City. The scope of the work included excavation in all kind of soil including Hard Rock. Construction of Raft foundation, RCC Retaining Walls, Drains, CD Works etc. Kindly inform if certificate of such work will be acceptable to MMRCL for this work.	Yes
			As per tender condition quantity of Earthwork in excavation & embankment = 4,50,000 Cum required. In this respect we request you kindly specify the individual quantity for the excavation and filling .	Tender conditions shall prevail.
			b) Experience of Earthwork in excavation & embankment and Concrete M:40 grade will be insisted 30 % of the quantity put to the tender as per G.R. (For subject A).	Tender conditions shall prevail.
