

MMRDA's Executive Committee Meeting held today.
Contractor approved to construct
Kasarwadavali-Gaimukh Metro-4A corridor

Mumbai, September 9, 2019 – The Executive Committee of the Mumbai Metropolitan Region Development Authority (MMRDA), headed by Mr. Ajoy Mehta, Chairman, Executive Committee, MMRDA and Chief Secretary, Government of Maharashtra, today approved the tender process and recommended appointment of M/s.JKumar Infracore Ltd. to design and construct the elevated viaduct from Kasarwadavali to Gowinwada and Gowinwada to Gaimukh and the said two stations. The Contractors will execute their responsibility for a cost of Rs.342 crore.

“Kasarwadavali to Gaimukh, the 2.7-km long Metro-4A Line is an extension to the 32-km long Wadala to Kasarwadavali Metro-4 corridor. The extension was approved as there was growing demand from the area. Yes, the Detailed Project Report also prompted 1.3 lakh commuter footfalls as hence the corridor was undertaken. This, probably, is the first time that the metropolitan region is receiving the attention it deserves.”, said Mr. R. A. Rajeev, Metropolitan Commissioner, MMRDA.
